That sign on Gary's shirt in 1957 "See Daddy for better Shorthorns" still stands. Fourteen years ago both Grand Champions were Remitall's Last year at Calgary and Edmonton and this year at the State Fair at Billings, Mont. Remitall's new polled Shorthorns captured both male and female grand championships.

At all major Alberta shows, Remitall won the supreme champion Shorthorn. Three records that still stand. 1966 - Calgary Grand Champion Remitall Choice Mint, topped all breeds at \$4,800. Five consecutive Grand Champions at the International Bull Sale, averaging \$5,640 - 1965 thru 1969.

Five consecutive Grand Champions Edmonton Spring Bull Sale, 1962 thru 1967.

Remitall's new models do have more utility coming from families that have produced breeding stock that have stood up year after year.

ALBERTA

1971 Marks a Milestone For Remitall

Twenty years of producing Shorthorns under the Remitall Banner, seventeen years before that on our own. Good years, we've enjoyed the challenge of them all. Perhaps the greatest years are ahead of us, certainly keeping a breeding program abreast of the times is a continual battle.

If twenty years is enough to measure by, then whatever we have to-day is more than we started with because that was zero.

We are pleased to have made friends and customers that believe that we will keep breeding programs up to and ahead of the times.

Good cattle were never old fashioned, but the polled gene intrigued us, and this is our first test of our new models.

We place ourselves in your hands. You are entitled to the best effort we can make and we guarantee our cattle to make their best effort.

MEET THE REMITALL OWNERS

THE CARROLL LATIMER FAMILY

Jeanie, Janet, Jimmy, Peggy, Barbara, Alan with his trophy for champion showman at Red Deer and in the background, Laurie on her horse Gotcha, and Carroll.

Competing for trophies and Banners has always been a challenge that we have accepted as part of the test of our productions. We invite you to come share the moment of our first polled Shorthorn sale with us.

THAT WELCOME YOU

THE LOUIS LATIMER FAMILY

Jean, Nancy, Marlene, Bryan, Louis, and on our stock horse (Jimmey) is Gary and Elaine. We all are very enthused with our new polled Shorthorns and look forward to welcoming you all and especially to our party and buffet supper October 28th.

COLLEGE HEIGHTS, ALBERTA

BREEDER K. G. MacKINNON AND SONS, AUSTRALIA. SEMEN RIGHTS TO NORTH AMERICA OWNED BY REMITALL CATTLE CO., OLDS, ALTA.

In 1965 Yalta was first in class and Junior Champion at the Sydney Royal. Highbank Matchless Duke, has sired many great stock bulls, and his daughters and Yalta's daughters make a most impressive cow herd at Bogan. At the 1964 Sydney show, sons of Highbank Matchless Duke, Bogan Victorious and Vampire 2nd were first and second in class, and Victorious was Senior and Grand Champion. They sold at 6,100 gns and 7,100 gns, thus creating a record. Another son Bogan Vanguard sired Karoola Debonair 1968 and 1969 Sydney Royal Grand Champion and Reserve 1970. Still another son Dandaloo Royal Duke (sire of Kelso Ignition) won the sire of the year award 1968 and 1970 for Australia. 24 of Yalta's first 31 ancestors are polled.

In my opinion Yalta is a great bull, rugged, large, straight and a potent sire. His son Bogan Cavalier's first calves are a standout. If we had a pen of bulls by him here, rangemen would go wild to get them.

Pheasant Creek Leader 4th X-424865

Reference Sire

PHEASANT CREEK LEADER 4th, X-424865, calved 22 January, 1968. Breeder, M.A. Dreger, Sask. Owned by Remital Cattle Co., Russell Blomstrom, Nebr. and Lloyd Davis, Iowa.

Leader 4th has been a phenomenal bull for us, growing to be one of the large bulls of the country, weighing 2,110 lbs. last May. Purchased at the 1970 Regina sale at \$5,200, winning the Grand Championship. We used him heavily last summer, he still had the power to win every major exhibition, Calgary, Edmonton, the Pacific National and the Toronto Royal.

Better yet his calves (100% polled) mark him to be an outstanding breeding bull, with some outweighing all the calves on the farm. They look like they will grow and grow.

Leader 4th transmitting his rich red colour, ruggedness and uniformity to his calves could well be the stock bull of the day. 24 of Leader's first 31 ancestors are polled.

A Champion Stock Bull

Pheasant Creek Leader 4th, with Lot 30, a replacement heifer, and Lot 39 back behind.

This is "Jumbo". He is by Kinnaber Leader 6th x, and is the first Polled Shorthorn bull to go into service at Remitall. He was purchased at the top of the 1969 Regina, Sask., Bull Sale where he was grand champion.

*A Big Gun
For Remitall*

Pheasant Creek Leader 3rd used at Remitall during 1969 to create the start of a polled herd. This he did, giving us a splendid crop of foundation females. Jumbo weighed 1,840 lbs. at 24 months, carried good bone, a strong, full rear end and a particularly good hair coat. You will find his sons and daughters an attractive group. Bull lots 10 and 12. Heifer lots 15 to 20.

Remitall won this sale five years in a row prior to 1970. Now to help our polled enterprize, we selected two of the top bulls from this great sale in 1970 and 1971. No expense has been spared to procure the best. Leader 7th was Grand Champion at the Midland Empire State Fair at Billings, Olds, Benalto, Calgary, Red Deer and Edmonton.

Remitall Cadet 703C has been that outsized calf right from birth, weighing 510 lbs. in June. Braeside Augusta Memory 4th 17W is one of our great cows, she won the cow class in 1970 at Western Canada's major shows and repeated her wins again in 1971 with Cadet at foot. She weighed 1,720 lbs. in June, and the milk she turns out is terrific. If the buyer so wishes, Remitall would be interested in re-purchasing a half interest in Cadet.

Bryan with Lot 1 Remitall Cadet 703C and his champion mother Braeside Augusta Memory 4th, 17W, led by Gary.

Remitall Choice Mint, (by Remitall Hercules) 1966 Calgary Bull Sale Grand Champion, outselling all breeds breeds at \$4,800. Now stock bull at McIver Bros., Farewell, Minn. A son, Remitall Ideal Mint, was second top of the 1968 Canadian International bull sale at \$5,300. to Lovely and Glantz in Montana, where he has bred very successfully. Also in the pedigree, of course, is Leader 4th 1970 Toronto Royal Champion and Killearn Welfare 43rd, 1959 Toronto Royal Junior Champion. We would be interested to buy back a half interest in this special feature calf if the buyer wishes.

In the future, as in the present and the past, we are pledged to constructive progress, at home and abroad, in agriculture, industry, education and government. If human beings shared the friendly disposition of Acadia and Deep Cove Shorthorns and Polled Shorthorns, the millenium would be more readily attainable. Let's all keep stubbornly and diligently working toward that goal nevertheless. Here's to winning ways!

Hopefully yours,

Betty Royon

Vice President, Acadia
and Deep Cove Farms

STILL MAKING HISTORY

At the 1971 International in Chicago, Acadia added to its list of famous firsts by becoming the only exhibitor ever to win Best Six Head in both the Shorthorn Show and the Polled Shorthorn Show, and to win Senior and Junior Get of Sire in both shows.

HAIL TO THE FILLETS!

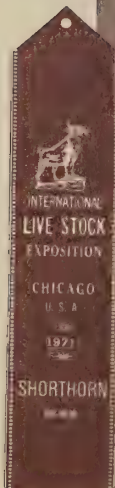

Acadia took a total of eight International championships, Supreme Champion Polled Shorthorn and Grand Champion Shorthorn Female among them. Ten of Acadia's thirteen entries in the two shows were by Fillet (Weston Trade Mark 3rd), 1970-1971 Sire of the Year.

1971 WAS ACADIA'S GREATEST YEAR YET

Acadia Shorthorns and Polled Shorthorns won big on the show circuit in 1971. A special highlight of the busy year was the exportation of a herd-size group of bulls and females to the USSR.

LOOKING FORWARD TO 1972

Watch for the Fillets at the winter shows in Denver, Fort Worth, Jackson, Baton Rouge and Houston. Dutch (Stone Oak Leader x), 1971 International Supreme Champion, will still be in the lineup, too.
